

Subject: Granting of a registry entry for the issuance of the token called "ALKN".

San Salvador Centro, January 27, 2026.

Sir
Jose Daniel Julio Martínez Martínez
Special Attorney in Fact
Alkemya Metacore SCSp.
Present.-

Mr. Martinez:

We are related to the notification of the resolution enabling the issuance of the digital asset called "ALKN", under reference CNAD-CD-001-2026 of January 5, 2026. In said resolution, the payment of the registration fee corresponding to zero point zero one percent (0.01%) of the amount of the authorized public offering, equivalent to EIGHTY THOUSAND DOLLARS OF THE UNITED STATES OF AMERICA (US\$80,000.00), was requested. Consequently, on January 22, 2026, the entity submitted proof of payment of the registration fee.

In this regard, after having verified that the payment of the registration fee was received to the bank account of the National Digital Assets Commission; this Commission grants the company **Alkemya Metacore SCSp.**, the registration entry **No. EAD-0029** as Issuer of digital assets and **No. AD-00035** for the token called "ALKN", all by virtue of the provisions of articles 9 letters b), c) and g), 22 and 23 of the Digital Asset Issuance Law, as well as articles 4, 5, 16 and Annex A of the Regulation on the Registration of Issuers and Public and Private Issuances.

In addition, the obligation to comply with the pending requirements established in the annex to resolution No. CNAD-CD-001-2026, dated January 5, 2026, is reiterated. Finally, we emphasize that in a state of supervision, this Company must meet any requirement for information and/or documentation requested by this Commission.

Sincerely,
